IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA  
IN AND FOR THE COUNTY OF \_\_\_\_\_  
JUVENILE COURT

In the matter of: )  
RELEASE OF INFORMATION ) AMENDED ORDER  
)  
\_\_\_\_\_ )

Pursuant to AB 3015, a state grant has been received by \_\_\_\_\_ County for the expansion of local Mental Health case management services and the addition of Mental Health Services for Probation, Child Welfare and Education children and families. The participating county agencies in the project are the Department of Mental Health, Probation Department, Department of Social Services, Public Health Department, \_\_\_\_\_ County Office of Education, \_\_\_\_\_ City School District, and the \_\_\_\_\_ Regional Center. In order to produce needed information and statistical data for the System of Care, required progress reports for the state of California and the interagency assessment and treatment planning process, information sharing among the above agencies is required. In regard to the research and statistical data gathering that is being done by employees of the Mental Health Department, no individuals will be identified in information going to any state agency. In addition, the involved staff have advised that they will purge their files when the data is no longer needed for reporting, assessment and research purposes.

GOOD CAUSE APPEARING TO THE COURT, the Chief Probation Officer is hereby authorized to release information from the Probation Department and the Director of Social Services is authorized to release information from the Department of Social Services files to representatives of the Department of Mental Health for the purposes of interagency research, assessment and statistical reporting pursuant to the state grant. In addition, the involved agencies listed above are authorized to share information on all wards and dependents involved. The information release is limited to that needed for these purposes and the names of minors and other identifying information to be purged upon conclusion of the need for such information.
