How do we help?

School Liaisons
MHSOAC Grant
\$2.5 million for 4 years

School liaisons work in the classrooms to assist teachers with children who are either at-risk or are current clients of behavioral health to assist the child in their problem-solving skills.

4

Transportation

- **Gas vouchers**
Trinity County Behavioral Health provides gas vouchers to those who can drive to their appointments.
- **Bus tickets**

5

Mobile Case Management

Home and field visits

- In addition to traversing tricky terrain, some beneficiaries experience time & distance challenges.
- Our case managers meet the beneficiary "where they are".
 - Wherever the beneficiary calls home
 - At a coffee shop
 - In a park

6

Peer Specialist Support

- County Employed Peer Specialist Supports
- Embedded in the local Emergency Department (ED) to provide support to clients who are waiting for an inpatient acute psychiatric placement.
- One free-standing emergency department
- NO HOSPITAL

7

School-based Telehealth

- Trinity County Behavioral Health in four community schools.
- Private Rooms with Kiosks
- Students able to connect with either their therapist or their psychiatrist
- Telehealth sessions without having to leave the school campus
